Professional Summary

As a passionate and driven engineering student, I have consistently demonstrated my commitment to personal and professional growth. With a strong foundation in web development and machine learning, I am eager to contribute my skills and expertise to innovative projects and challenging opportunities.

Education

DY Patil College of Engineering, Akurdi, Pune **2022 – 2026**
B.E. in Electronics and Telecommunication Engineering *CGPA: 8.74 / 10*

Secondary Education (SSC)
Percentage: 85.20%

Higher Secondary Education (HSC)
Percentage: 73.83%

Experience

Web Development Intern – IdeationX **Jan 2025 – Apr 2025**

- Built responsive and user-friendly frontend for company website.
- Developed YouTube to Audio Converter using Node.js and EJS.
- Implemented Sign Up/Sign In with guest limitations (3 free downloads).

Skills

Languages: CPP, Python
Frontend: HTML, CSS, JavaScript, React.js, Tailwind CSS
Backend: Node.js, Express.js, WebSocket, FastAPI, RestAPIs
Database: MongoDB, SQL
Others: Git, GitHub, Data Structures and algorithms

Projects

Campus Recruitment Management System **HTML,CSS,JS, Node.js, MongoDB**

- Built a role-based recruitment platform for Admin and Students.
- Implemented job posting, applications, and CGPA-based shortlisting.
- Developed admin dashboards with applicant tracking and statistics.

Real-Time Chess Game **Node.js, Express, WebSocket, Chess.js, OAuth**

- Developed a real-time multiplayer Chess game using Node.js, Express, and WebSocket.
- Implemented legal move validation, turn-based game logic, and real-time synchronization between players.
- Integrated OAuth authentication to provide secure user login and game access.
- Designed a responsive and interactive game interface for a smooth multiplayer gaming experience.

Achievements

- Secured **Second Rank** in the Mini Project Exhibition for a third-year project at **DYPCOE**.
- Built an IoT-based system during a 24-hour hackathon to monitor soil, weather, and crop health, enabling smart and data-driven decisions for farmers.
- Solved **140+ LeetCode problems**, demonstrating strong problem-solving and algorithmic skills. Profile: **Vaibhav14k**.
- Earned a **3-star rating in C++** on HackerRank, demonstrating strong programming and problem-solving skills.
